### The Rent 2 Own Solution

From small family businesses to franchise groups and large corporate organisations, the right funding is essential in order to keep your options open, and to preserve as much cash as possible to grow and expand.

This rental product is unique to the market and is a smart and flexible solution specifically for organisations in need of funding for commercial equipment. - ◆ Return the equipment at the end of 12 month agreement if no longer required
- ◆ Continue to rent - and your purchase price will continue to be reduced

- ◆ Start up businesses can apply
- ◆ No financials required for applications less \$50k
- ◆ Age of asset does not matter
- ◆ Base Financial Group processes your application with no extra cost to you
